COMMERCIAL PRODUCT LINES

NORTH ALABAMA

Manufacturer	Product Description
Airzone	Zoning and controls for VRF and inverter driven mini split and multi split systems.
Amana	PTAC and VTAC units
Aprilaire	Residential and light commercial dehumidifiers
Bard	Interior and exterior wall-mounted, packaged, air or water source, DX equipment
Bryant	Commercial split systems and package units up to 25 tons, variable refrigerant flow, water source heat pumps
Carrier VRF	Single and three phase heat recovery and heat pump VRF (Variable Refrigerant Flow) systems and controls
Comfort-aire	Horizontal and vertical water source heat pumps
CoolAutomation	DLS and VRF BMS interface
First Company	Specialty split systems and package units primarily used for multi-family and apartment/condo applications
GPS	Needle point bipolar ionization requiring no replacement maintenance parts
Honeywell	Control solutions for HVAC products; residential and light commercial humidifiers and dehumidifiers
i-Vu	Carrier building automation controls
iAIRE	Commercial HVAC products that employ the benefits of air purification using ionization with energy savings
Innovent	Packaged and split air handling equipment with specialization in 100% outside air and energy recovery
Islandaire	Packaged Terminal Air Conditioners, DR. PTAC units, Water Source Heat Pumps, Vertical Units, and Fan Coils
Maestro by Olimpia Splendid	The next generation PTAC
Magic-Pak	Indoor package heat pumps, air conditioners and gas packs for multi-family/apartment/condo applications
Midea	Packaged terminal air conditioners
Modine	Make-up air systems. High eff. gas, electric, and infrared heaters; duct furnaces
NovelAire	Desiccant dehumidification and energy recovery for commercial and industrial applications
Soler & Palau (S&P)	Commercial upblast, downblast, inline and mixed flow fans
United CoolAir	Indoo' package and splittable light commercial air handlers and portable cooling and heating units
Ventacity	ERV manufacturer
VTs	Semi-custom air handler manufacturer from 800 CFM to 38,000 CFM
Zoneline® by GE	PTAC and VTAC units
